Dear Club,
I thought I'd let you know about weekend away this summer that'll stick in my memory for a long time! It was the 4th June – and the start of my girlfriend's birthday weekend. I'd been planning her surprise for several weeks. I picked her up on the Friday evening, and as we drove to my house Rachel continuously threw out guesses as to what I had planned and where. The only clues I had given her in the days leading up to the weekend were that she would not need a passport and to bring with her suitable clothing for potentially both warm and cold weather. It was the English summer time after all!

By the time we reached my house it was getting late and we both knew that to make the most of the weekend we needed to leave relatively early in the morning. We had a quick glass of champagne each to toast the day and went to bed. I wanted and desired her like never before. We kissed and caressed each other sensually but both knew we needed to sleep, exhausted as we were.

We woke early on Saturday morning to the welcome sight of the sun streaming through the blind that I had deliberately not closed fully the night before. I lifted myself up to look at her. I lay alongside her, resting on my elbow and pulled back the duvet exposing my early morning erection. Rachel look stunning as the sun light fell across her naked body, bathing her skin in a golden glow. I looked at her hungrily; I wanted and desired her with

my whole being. My cock throbbed it was so hard.

"Sod it"! I thought and kissed her gently on the lips, ear lobes and neck. Gradually I worked my way down her body. I teased her nipples till they both stood hard and proud. As I continued to caress her Rachel positioned her body to enjoy my attention and started to breathe more rapidly. Finally I reached my goal – she was already wet. My tongue slipped easily inside her and I lapped up her sweet juices. She tasted like heaven and I wanted to feast on her passion for hours. Deep inside my mind, though, I knew we did not have the time. Rachel moaned with playful displeasure because I had not brought her to climax. "What's the matter, don't you like me any more"? She said. We had breakfast in bed and then got up.

"I pulled down her knickers and thrust my face into her soaking pussy."

As we drove south I was again bombarded with incorrect guesses as to where we were going. It was not until we hit the back of a huge snake of very slow stop start traffic about 40 miles from our destination that she finally guessed correctly that we were heading to Bournemouth.

We finally arrived at our hotel around 3 o'clock. After checking in we almost immediately went for a walk along the beach. I was not in the best frame of mind, being tired and frustrated from the long drive and traffic delays that meant I was not able to treat Rachel to everything I had planned.

In keeping with the occasion I wore my best black suit and pink and white shirt, Rachel wore a patterned summer dress.

Dinner was at a fish restaurant right on the

“I could feel her working the muscles of her pussy against me, gripping...”

our embrace. I spun her round and bent her over the beam and dropped to my knees. Once again I lifted her dress and in the reflected light of the moon from the now ink black sea and stared at the thin black line of her thong. I pulled down her knickers and thrust my face into her soaking pussy. I licked at her lips and clitoris. Rachel moaned and almost screamed with pleasure; her leg trembled uncontrollably as I continued thrusting my tongue even deeper. I stood up and allowed my trousers to fall to my ankles. The cold sea breeze was refreshing and welcome relief for my rock hard aching cock. I looked down at Rachel, still bent over the beam.

“Don’t stop baby fuck me, fuck me hard right now!” she ordered.

Before she had finished her sentence I had entered her, she gasped as I slid deep inside and started to thrust slowly at first, then faster, then slower again. I varied the depth as well as the pace of my penetration. Rachel pushed back against the beam for extra pleasure. As my cock glided in and out I could feel her working the muscles of her pussy against me, gripping and releasing until she reached a shattering climax accompanied by a shriek of “I’m coming baby, I’m coming!”

I felt her hot orgasmic juice soaking and flooding along the length of my shaft that brought me to the point of my own climax. I withdrew and started to wank furiously. Rachel stood up and looked at me my shaft hard and glistening with her juice. Without saying a word she took me in her mouth and sucked passionately till I came, explosively filling her welcoming mouth with my hot, sticky seed.

“Happy birthday darling,” I panted.

Slowly we re-dressed and straightened our clothing and made our way back to the hotel. We giggled like naughty school children as passers-by looked at our wet and sandy clothing. I’m sure they guessed what we had been up too.

Henry, Hull.

sea front not far from the pier. Rachel indulged her passion for oysters and a main course of fish. Being more conservative I had a salad to start and steak for a main course. Our table was by a very large window that allowed an unobstructed view out to sea. It was a beautiful evening, a flat turquoise sea lapping at a golden sandy beach and fabulous food. It was a wonderfully romantic atmosphere. Slowly the sun sank in the sky and by the time we had finished our meal it was dark. Before returning to the hotel we decided to go for a walk along the beach to help our food digest and to round off the evening. Almost instinctively we found ourselves walking in the shallows of the sea as it ebbed and flowed. The water was icy cold yet somehow refreshing as we strolled along the now deserted beach.

Eventually we were beneath the pier standing amid the massive pylons supporting the gigantic structure of the decking above us. The pier and its pylons cast shadows in the gloom. Being out of reach of the beach front lights added to the sense of total darkness and isolation. The only sound was the waves breaking gently against the beach and base of the pylons.

I was still holding Rachel’s hand. I pulled her close and kissed her. As my lips met hers they parted to accept my tongue probing and searching the most sensitive regions of her mouth, lips and tongue. Locked in this passionate embrace Rachel eagerly sucked my tongue in the most erotic fashion whilst expertly undoing my trousers and sliding her hand between my legs. The cold soft skin of her hand found my cock struggling to find room to extend into a full erection. Gently she massaged me till I was at my full length and girth. We continued to kiss with such passion it was almost violent, I let my hands slide down to her arse and grabbed handfuls of her dress and lifted it up so I could caress the soft, warm, skin of her buttocks. Rachel groaned pleasingly as my fingers traced the crack of her arse till I was stroking her pussy, already wet with desire.

I licked my fingers to taste her sex juice before sliding my fingers back between her legs and inside her welcoming, clean shaven pussy.

“Oh God yes!” Rachel panted still wanking me. “Fuck me baby, fuck me!” she gasped.

I spotted a large metal cross brace between two pylons. I directed Rachel backwards towards the beam, still locked in

Miss Black is back, with some of the longest boots we've ever seen, and she wears very well. The Los Angeles model and well-known party girl has recently been busy meeting some of her biggest fans.

"I just love meeting my fans, they're always such lovely people, who say some really warm things."

Warm things? So they make you warm do they we asked tipping Tori a wink, but she was straight back at us.

"Well, if you want to know, I did have one tall hot guy say he was a fan, and I was like honey, I think it's the other way round, and I'm your fan right now!"

Maybe there's hope for us yet!

Bree's a bundle of bounce that's for sure as the energetic red head shows off her long legs in a delicate blossom coloured lingerie set with nude stockings. If you're anything like us and can't stop imagining those pins wrapped around you

then be assured it's a common occurrence.
 "Yep, my best asset is apparently my legs, though I could never understand why as they don't look like anything special to me."
 Beautiful and modest, does it get any better than Bree?

Somebody can't wait to be nestled back between her silky sheets, as we get more than a little intimate with Cherry.

"This is my favourite place in the whole house, I just love snuggling down naked in bed when it's cold outside."

There's certainly a nip in the air, but Cherry seems more than pleased to languish unclothed with her sumptuous flesh exposed, and it's all we can do to stop ourselves jumping straight in with her.

DREAMS OF CREAM!

Nowadays, I get a lot of time to myself. A few years ago, however, this wasn't the case at all. Being part of a large group of friends, each Friday night I'd be out drinking and flirting, and more often than not staggering back the next morning from some guy's house! My appetite for sex, therefore, is insatiable, despite now being married and living away from my close group of girlfriends. Even though Mark can certainly satisfy me and our sex life is wilder than your average married couple, I can't help craving more.

With Mark working away for two or three days at a time, my vibrator has seen a lot more action and I've even begun to look forward to when I have a whole evening to just lay back and pamper myself, if you know what I mean! It gives me time to fantasise about anything I desire, with no physical restraints. Those thoughts invariably lead to when I used to party every Friday night, and in particular groups of blokes with only one thing on their mind.

Sitting up in bed wearing only my bra and knickers, I imagine being in a giggly drunken state on some unknown guy's sofa with my friends and his, talking suggestively and nervously to each other. Rolling my finger over my hardening nipple, my mind switches to me snogging the bloke I'm with whilst my friends whistle and tell me to "Go for it!" Straddling the guy, with my skirt hitched round my waist and my arse in full view to the room, I begin to let him suck my pert tits. The very thought makes my pussy wet, and reaching down into my knickers I cup my crotch as my mind

continues.

As he licks my jutting nipples, I feel a pair of gentle hands on my backside. I crane around to see my best friend with her slender manicured hands on my arse, while her own tits are being freed from behind by another guy. Bending forward on all fours, she begins to lick the crack of my arse, and bite at my G-string as she is being stripped hurriedly by the randy bastard who is pawing her fit body. Holding this image in my head, I barely touch my pussy, sending shudders through my own body. Splaying my legs and falling backwards onto the soft cotton duvet, my index finger bends rhythmically as it strums away at my clit. My back instinctively arches as I am now imagining a rigid cock between my thighs, pressed against my soft tummy. Raising up

“Pushing my butt apart with her index and forefinger, the head of his dick enters...”

on my knees, I part my cunt lips and drive myself down onto the erection. Meanwhile, as I tease my own clit, I sink two fingers knuckle deep into myself to simulate the fat dick that I really crave.

However, I want more, and as my friend is still behind me, straining to lick at the shaft that is in and out of my twat, another cock is being unzipped to my right. In my mind I reach for it roughly, forcing the foreskin back and displaying my tongue to show where it's about to go. I have now rolled on to my front and am bucking my own hand wildly, as the image races further. With one cock straining inside my cheek from the side, whilst another fills my pussy I picture my friend feeding the tip of her man's dick into my arsehole. Wetting it with her spit, and pushing my butt apart with her index and forefinger, the head of his dick enters, making me catch my breath. As my sphincter relaxes, I can barely feel the individual cocks as my whole lower body fills with warmth.

Turning on my side I reach for the thin vibrator, and without turning it on,

begin to slip it down the perspiring crack of my arse. Hunching up, I insert the tip, and begin to work my butt over the plastic shaft, all the time thumbing my clit as I part my own pussy lips. I want every hole open as I am now imagining sucking the balls of the cock that I am wanking across my face. Another female friend is chewing my nipples and grabbing and gyrating my hips into the two rigid dicks that are filling me. I imagine the shaft in my hand begin to pulse, and the first shot of spunk spray across my cheek. Yanking it down into my mouth to take the rest down my throat is the image that sends the first spasm through my body, as I writhe around, alone. Slapping my thighs together, as I frantically rub myself, I barely notice the vibrator inside my bumhole as I bring both hands between my legs. I press my eyelids together as in my mind my cunt is now being filled

with spunk, as the cock from my arse is now slapping against my bum cheeks leaving jets of jizz over the small of my back. My climax is immense, and as I tighten my thighs around my fingers, the image slowly fades. Covered in sweat, in just my bra and panties around my knees, I drift off with the thought of turning this fantasy into reality.

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing a new underwear set – tarty red and black, which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while

“...he hooked the soggy material to one side and licked between the folds of my pussy.”

I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full-well that the dinner wouldn't really spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that particular erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my mouth and throat. I kept it there, fully inside me and wrapped my tongue around the back of his shaft.

“...his shaft passed through the tight muscles of my arsehole.”

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

"I want you to play with my bum." It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy. Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open up as I exposed them to him.

"Your bum looks amazing," James said. I felt his breath as he moved in for a closer inspection. "You've got such a pretty little arsehole." I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue moving over and probing into my arsehole. But this time, I was eager to move on. I

wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my arse. His fingers worked their way inside me, penetrating my bum. I'd got used to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock up my bum. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

"I want you to stick your cock in my arse." I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

"Are you sure?" he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

"Yes – I want to feel your cock in there," I said, wiggling my posterior. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where he could guide his cock inside

my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he'd stopped trying.

"Oh my god," James said. "My dick is in your arse." I didn't know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James' cock was sticking out of my arse – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

"Push it all in," I told him.

"Are you sure?"

"Do it, now!" I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I'd taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

"Fuck me, nice and slow," I gasped. My breath quickened as I felt my boyfriend's cock slide out of my arse before easing back in.

"That looks amazing!" he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn't

resist as James pounded my butt. I'd expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of 'anal slut' took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my muscles around James' cock, gripping him, holding him in place, and with every inch of his cock buried inside my pucker, he came. He cried out and I imagined his cock firing load after load of spunk into my arse and my fading orgasm re-intensified.

"That was amazing," James said, as we both fell back onto the bed.

"Happy Birthday," I replied, kissing him on the lips.

"I can't wait until my next birthday," he said, smiling hopefully.

"Oh, I don't know that I'll make you wait that long – it's my birthday soon."

DOWN THE WIRE

20 Million Peas!

We all think about putting a little aside for a rainy day, the old technique of tucking a few £100 away under the mattress seems to still be popular. But I'm not sure how well you'd sleep with 20 million dollars under you. A 28-year-old Brazilian has been arrested in connection with the alleged TelexFree pyramid scheme. Authorities followed the gentleman in question as he delivered \$2.2 million in a suitcase to a cooperating witness, before

tailing him back to an apartment where they found \$20 million hidden under a mattress. They believe the Brazilian was acting as a courier for the nephew of the TelexFree founder and has since been charged with conspiring to commit money laundering.

You'd better bee-lieve it

Sheep rustling has been a prevalent pastime over the centuries, but things are on the turn and you could be in for a sting, as Texas thieves made off with \$90,000 worth of buzzy bees. One Danbury beekeeper Randy

Generally unattended during the winter months as they chomp through some of the honey they have produced during the summer. Randy's bee's like many others are shipped to California during the spring for Almond pollination before returning to Texas once they've done their job. A police report has been filed, but the suspects are still at large and probably enjoying a honey high.

Fernandez allegedly said the prank was a cultural attempt to reframe the 2016 election in a positive light, as it was during the election that cannabis was legalised in California. The sign was not damaged, but security has since been tightened around the sign.

It's been tweeted, Instagrammed and Facebooked. Stephen Fry even promoted the simple genesis in altering the world famous Hollywood sign to read

T TAL RECALL

Dear Total Recall,
Ever since I saw the set of Kaly
in Vol 31.04, I've had a thing for
shagging in swimming pools,
and to date, my best experience involved
a rubber ring much like the one Kaly floats
on in the set. I'd love to see it again, as
it would bring back some of my greatest
memories and give me a chance to crack
another one out over Kaly.

Evan, Swansea.

We are delighted to have Tommie Jo back in the studio and just couldn't resist having the gorgeous blonde kicking off this issue, particularly since she's dressed to impress.

"If you think I'm dressed to impress now, then you should have seen me last night! I had a lovely little dress on and a pair of killer heels."

Out on the town were you?

"I sure was, cocktails, dancing, the whole lot. I had so much fun and didn't get home till four this morning!"

Sounds like a great night out on the tiles, where was our invite?

"You can come along next time, and I'll show you how to really party."

That's an offer we can't refuse.

We're surprised Shay Lauren can hold herself up! No, not her well-endowed chest, the beads. Honestly, how your minds must work, but we can see your thought pattern, and how your eye might be drawn down to the small and inviting landing strip too. So we don't blame you, as Shay is an eye-catching packet for certain.

There are no jazz hands to be found here, only the seductive Jasmine Jazz, nestled in her secluded garden where all sorts of mischief are possible.

"We've had so many parties out here, and they've all ended with us stripping off and running around naked."

Sounds like our kind of parties, any chance of an invite?

"Well, that depends on how much fun you are today."

Now there's a challenge and a half, but we're going to run the gauntlet and pray we pass with flying colours!
